

Restoring Faith in Chiropractic & Seeing Results

Julie sells software to enterprise restaurant brands. She says “it's super fun and busy. Lots of big personalities in the space. Tons of travel and learning about the inside workings of your favorite restaurants!” Travel is #1. Julie and her husband try to take a long weekend trip somewhere new once a month, and then go overseas once a year. Their most recent trip was to Spain and Portugal for the first time! For fun, Julie enjoys tap dancing again (after 25 years!!!), yoga, and being sassy! She loves playing outside with her two adorable, perfect, super sweet and smart Golden Doodles - Wrigley Wiggle Butt and Hula Kai Doggie! Wrigley is a therapy dog and Hula is getting trained too!

JULIE THE GREAT

“I came to Dr. Jason because I was experiencing headaches, anxiety, and chest pain after a terrible experience at a traditional chiropractor (this other chiro hurt my neck even after I told him I was uncomfortable with his techniques). My neck was hurting so badly I couldn't sleep, couldn't concentrate, was unkind to my husband, and was ready to jump off a bridge! I had already gone to an ortho who suggested meds (NO!) and tried massages and stretching, etc... Nothing worked. Dr. Jason was a referral, and I was totally skeptical. Jason, Meg, and Susanne were so nice to me during my initial visits (and tons of crying - because I was in pain and tired and worried and unsure what to do next). I really appreciated the extra time they took to explain the process and why's about their methods. I am SO glad I put my trust and faith in Dr. Jason and never looked back. Even 6 months into care, the difference is already HUGE! I don't even think about what hurts anymore because it's pretty much gone already - and I look forward to making even more progress in the areas where Dr. Jason can improve my life and health.

Dr. Jason is my hero at this point! Whatever he says goes and I look forward to my weekly visits because I know the benefits gained each time I come. Meg and Susanne are my favorite and are always so nice and friendly. I am so glad to be part of the Revolution family and it was one of the best things I did for myself in 2022. I am excited to see the results in the coming years.”

The best part of Revolution is...Meg and Susanne! :) Fine, ALL. OF. IT! The Revolution team has made a world of difference to me, and I will sing your praises forever!
